DATE

I would not like to receive emails.

I would not like to receive texts.

Text messages and emails will include information regarding school closings, scheduling, events, special offers, and more!

DEAR BACH TO ROCK® PARENTS:

Welcome to the B2R family. You and your child have embarked on a unique and rewarding musical adventure and we will do everything we can to ensure that you find the experience exciting and enriching. If at any time you need assistance or have questions or concerns please feel free to get in touch with us. We can be reached at 470-375-3960.

WHAT YOU SHOULD KNOW ABOUT BACH TO ROCK

Instrumental Instruction at Bach to Rock is Based on Three Fundamental Principles:

1. That musical learning is significantly enhanced and maximum progress is achieved when students combine short one-on-one lessons with group, band or ensemble playing.
2. That motivation to learn through practice is strengthened by a "team sport" approach in which students work together and have multiple opportunities to play in public. These activities give meaning to the otherwise solitary experience of practicing at home and provide students with real world goals.
3. That a strong, traditional and carefully sequenced methodology in both technique and musical theory should be coupled with a repertoire of music that students enjoy and to which they, their fellow musicians and their friends can relate.

Bach to Rock Can Provide Instruments for Lessons*

Bach to Rock will generally provide students with instruments when they are taking lessons in its facilities.* Therefore, students will not have to take their instruments with them to school in the mornings or transport bulky equipment to their lessons. As students advance in the curriculum, they may feel more comfortable using their own instruments and are encouraged to bring them to class. Drums, guitars and keyboards, plus amplifiers and other support equipment, will always be supplied by the school.

Students Must Have Instruments at Home for Practice

It is very important for students to have their own instruments for practice at home. Excellent instruments are available today at moderate prices. Instruments should be sturdy and (in the case of stringed instruments) they should be able to stay in tune. Beginning students may wish to purchase a "starter" instrument, although investing in an intermediate-level instrument may, in the long run, prove more economical as a student's skill level and musical demands increase over time.

Keyboard/piano students should not practice on badly maintained, out-of-tune pianos. The early years of musical study are very important for the development of an accurate "ear" and an out of tune instrument inhibits this learning.

Instrument Selection

The B2R staff will be happy to discuss instrument selection with parents and/or students and to recommend appropriate instruments as well as stores in our area that carry them. In addition, B2R has wholesale contracts with musical instrument manufacturers and suppliers and can provide instruments at a discount to those who prefer to purchase them from us.

**B2R will always provide drums, guitars, keyboards and amplification equipment for these instruments and for vocal performance. We do not provide wind or orchestral instruments such as clarinets, flutes, saxophones, violins or violas.*

ATTENDANCE & CANCELLATION POLICIES

B2R Private Lessons

The student/parent must notify the school in writing (email is permissible) by the close of business the day before the scheduled session to cancel or reschedule a session. Otherwise, no make-up lesson will be given. Make-up lessons must be scheduled within 30 days of the original lesson date. B2R cannot guarantee that make-up lessons will be taught by the student's regular instructor. ***There will be no make-ups for absences without proper notification.***

Rock Band Sessions

There will be no make-ups of or refunds for band sessions missed by individual students. Absences from band sessions alter the balance of the group and make rehearsals difficult for those students who are in attendance. Students are asked to recognize that they have an obligation to their fellow band members and should make every effort to attend all scheduled sessions. ***If the majority of students are present for a band session, it will proceed as scheduled. If not, rehearsal will be canceled.***

Group Classes, Recording Arts, B2R Glee Club

No make-up classes will be given if a student is absent for a group class, Recording Arts, or B2R Glee Club. If B2R cancels a class prior to the first day of instruction, a full refund will be given.

Early Childhood Education Classes

Parents may make up a missed Early Childhood Education class by taking their child to another regularly scheduled class session at a different day/time during the course of the month (space permitting). ***No other make-up or refunds are available.*** If B2R cancels a class prior to the first day of instruction, a full refund will be given.

B2R Camps

There will be no make-up sessions or refunds for students enrolled in B2R Camps that miss camp time. If B2R has to cancel a camp prior to the first day of instruction, a full refund will be given.

Withdrawals and Refunds

Students are considered registered for the duration of their programs until B2R receives a written request to withdraw. Credit will be kept on file only if a student withdraws with at least 50% of regularly scheduled sessions remaining. ***No refunds will be issued for any B2R program including lessons, group classes, and camps.***

Teacher Attendance

B2R prides itself in recruiting accomplished musicians who perform professionally. While this allows us to assure a highly talented faculty, *occasionally* teachers may be absent due to their performance schedules or for other reasons. If this occurs, B2R will arrange for a substitute teacher and the student's instruction will continue as scheduled. If a substitute teacher is not available, B2R may reschedule the lesson. While we do strive for consistency, sometimes we experience turnover -beyond our control. In the event of a teacher leaving, B2R will schedule lessons with another qualified instructor.
